USER PERSONA

Peter

Age: 54

Education: Bachelor in Fine Arts

Hometown: Köln

Family: Married

Occupations: Painter, Art restorer

Likes: philosophy, right nutrition

Dislikes: problems, lack of comfort, to be alone

Goals:

- To remain informed about healthy food
- To start a new style in art
- To expand his connections in the art community

Frustrations:

- Long distance travels
- Social and material instability

Peter is an emotional person who loves attention and cares about other people's opinion. His passion regarding art makes him to aspire for more. Peter works in this field for 35 years doing different commissioned works, but he wants to expand his client base outside his hometown and grow his network in the art community.
